

# DAY OF PRAYER AND FASTING JANUARY 6, 2020

We invite you to join us in a special time of prayer and fasting as you are able on Epiphany Day – January 6, 2020. The Minneapolis Mission Home will be open from 6am to 8pm for your convenience to come and go as your schedule permits. Board and staff members will share a short devotional at the top of each hour to further guide our prayers as we focus on this Board directive:

**MMSC (10/7/2019) to direct staff to organize a concerted day of prayer and fasting to ask God for guidance regarding the following questions:**

**What expression of community is needed for WMPL to accomplish its mission?**

**How can WMPL best instill commissioned living in the next generation?**

If you are not able to join us in person, please pray wherever you are – or choose another time during that week to pray. Then please let our Board Chairman know how you may have sensed God’s answer or leading in response to your prayer during this time.

Email: [chairman@wmpl.org](mailto:chairman@wmpl.org) or send a written note to our Minneapolis Office, ATTN: Board Chairman.

## PRAYER HELPS...

In the previous four issues of the TIP newsletter, Executive Director Paul Gossman has shared his thoughts regarding various aspects of what he calls *The Commissioned Life: Pull Back or Push In?* (Aug); *Compelled* (Sept); *Standing in the Gap* (Oct); and *24/7* (Nov).

Previously published and recorded insights from Margaret Lindell on the topic of *Commissioned Living* are available through our web site: [wmpl.org/margaret-lindell](http://wmpl.org/margaret-lindell)

A Scripture-based prayer guide for use on January 6 will also be available by mid-December.
